## **Developing New Horse Trails**

Miami County Equine Initiatives Task Force (MCEITF) and the Miami County Chapter of Ohio Horseman's Council is working hard to develop trails in Miami County and seeking to join equine trails throughout the surrounding communities.

Our mission is to establish and conserve the recreation, ecological, and historical values of equestrian trails in Miami County, Ohio, and promote economic development opportunities through the wise use of these resources.

MCEITF and OHC are approved to work as a vendor, to raise funds for horse trails. We will be selling Hickory River Smokehouse BBQ at the Fall Farm Fest, at Lost Creek Reserve, October 8th and 9th.

All proceeds will go towards trail development and maintenance.

*Many thanks, from  
MCEITF and OHC,  
to Hickory River  
Smokehouse  
for supporting  
equine trails!*
